Dear Brothers and Sisters at Sierra Bible Church,

Thank you so much for your faithful monthly support and for the special gift received this week from your annual missions benefit sale. This will be divided equally between the Minas Church Plant Fund and the Pastoral Fund. May God bless you richly.

Last Sunday we baptized six new believers. It was a time of rich blessing for all of us. The first week in August I'll be on the coast for some conferences of AMEE (The Ecuadorian Evangelical Missionary Association).

We thank God that the work in Minas is growing. We ask your prayers for this town, that God's grace will be clear in every meeting that we have there. Please pray as well for Olga, a believer in Comité who's been very ill.

Blessings to you from on high,

Jaime and Corina
