

January, 2011

Dear brothers and sisters,

May you have a beautiful 2011 together with your families. We thank the Lord that all in our family are well and happy. Thanks so much for your faithful prayers and support.

The Minas ministry among the adults is growing, for which we are very thankful. We ask your prayers, however, for the leadership situation. The Haitian missionary who has been helping us there is moving to the Macas Province to pastor a church there and also help with three other churches that don't have a pastor right now. We ask your prayers for God's provision for the Minas ministry now that Nixon will be leaving the third week of February.

Our family also asks your prayers for a vehicle, especially for Minas, now that the meetings are Sundays from 5-7 pm, and there is no public transportation for our people to get back at that hour. We have been asking our people in Comité and Minas to help with this situation.

Blessings in Christ Jesus from on high,  
Jaime and Corina Betancourt
