

SOLID 2010 ~ 11

SBC Youth Discipleship

“Building a Lasting and Launching Foundation for Life”

Apply – grab and fill out an application and turn it in with \$50 to Nate Levering. The money will go toward upcoming retreats, books, resources and a ministry insights test. Please talk to Nate if you would like to join but don't have the money at this time.

Attend – we will have discipleship meetings that primarily run alongside the Children and Adult discipleship ministries on Sunday Evenings (a total of around 22 Sundays). We will kick off on September 19th with a BBQ at Nate and Kathy's. Regular weekly meetings will be in the Lower Youth Portable from 5 – 6:30 PM.

The focus of our year is building a lasting and launching foundation for life. We will be studying the story of the bible, memorizing scripture, asking questions, serving, meeting in small groups (3 – 4 people) and seeking to bring our Christian faith and practices into all areas of our lives.

It is our desire to use this time to train and send students into their world as active, intelligent and loving missionaries.

Retreats – we will build in three retreats for this group of committed students that we believe will serve our purpose in wonderful ways. We will budget and raise funds throughout the year to make these trips as inexpensive as possible.

1. Girls/Guys fall retreats @ Hume Lake – both retreats will be offered for only \$80 each.
Made to Shine for girls on Oct. 29th – 31st.
Solid for guys on Nov. 19th – 21st.
2. Unplugged weekend in the spring where we will unplug and practice spiritual disciplines such as listening, fasting, serving, prayer, feasting...
3. Rafting/Leadership Trip in August – leadership seminar, time together, memorizing scripture, learning and being challenged – happy camp...
