

01/24/2011 Letter from Rigoberto and Mary Chamorro in Nayón

Dear Brothers and Sisters,

Please receive warm greetings in the love of our Savior Jesus Christ.

We are preparing to celebrate the 12th Anniversary of the evangelical presence in Nayón, embodied in our congregation. Our building is dedicated to the worship and service of God in the Highest.

Prayer requests:

1. Please, we need your prayers for my wife Mary. She suffers much from pain in one of her knees. The doctor who is treating both of us says we should be thinking in the near future of a knee replacement.
2. We mentioned in one of our letter my brother Luis, who is disabled. He needs a hip replacement so he won't lose the ability to walk.
3. Please give thanks to God with us for what He has done during these 12 years of the Nayón Church.

In the Lord's love,
Rigo and Mary

01/25/2011 Letter from Jaime and Corina Betancourt in Comité del Pueblo

Esteemed Brothers and Sisters,

May the Lord bless you, your families and your ministries richly in these days.

I want to tell you about the great spiritual party we had las Sunday, when we hit an all/time record for baptisms. We baptized 17, including the first three from Minas! Please pray for them all that the Lord will continue to make them firm in their newfound faith. It was a beautiful time of fellowship.

We continue with meetings in Minas on Sunday afternoons. It-s a two-hour trip each way. As we depend on public transportation, this means staying overnight and coming back on Monday morning. We keep praying for a car to help us with this ministry. As you know our Haitian brother who has been alternating the Minas ministry with me will be moving to Macas in Ecuador's Eastern jungles in March. That will be a heavier load for me as I

don't have a replacement for him. Please pray for the strength to carry on and for the Lord's provision.

We pray for you many blessings from on High.

In Christ,
Jaime and Corina Betancourt
